C-LP Circular)
No. 15)

27 July 1943

FUEL AND LUBRICANTS FOR GOVERNMENT-OWNED
MOTOR VEHICLES - CIVIL AIR PATROL FIELD ACTIVITIES

1. In accordance with the provisions of paragraph 5a, AAF Regulation No. 20-18, dated 25 May 1943, subject: "Organization - Civil Air Patrol", arrangements have been made for the supply of fuel and lubricants for government-owned motor vehicles assigned to Civil Air Patrol field activities authorized under paragraph 3 of said AAF Regulation.

2. For the supply of fuel and lubricants for government-owned motor vehicles assigned to CAP Coastal Patrols and Liaison Patrols, the Quartermaster installations listed below have been instructed through their respective Service Commands to honor requisitions from the Commanding Officers of these Civil Air Patrol units. Said Commanding Officers will specify the form of delivery preferred. Arrangements for delivery will be made by said Quartermaster installations.
